Lynn, 10th mo., 1839

Respected Friend Sr

Mary W. Chapman

Below is an inventory of articles which we send for the 'October Fair.' In consequence of the severe money pressure, & the near approach of our own Fair, the donation is much smaller than we could wish. But it may remind our Boston friends, that we have not forgotten their liberality at our last Fair, and likewise serve as an expression of our unity with the course which you have pursued in regard to the late difficulties. The Massachusetts A. S. Society must be sustained. It must not be crippled by an empty treasury. May your success be equal to your zeal for Truth. Freedom & Truth.

In behalf of the Lynn Women's A. S. Society,

Eliza Boyce, Cor. Secretary.

N. B. If the prices are not suited to your market you will please alter them. Those articles which are not in the box will be brought in on the first morning of the 29th.
